As his time will be exclusively devoted to his profession, all business needed to be done will

TO RENT.
WILL Rent for 3 or 12 months, the
Home site on the lot adjoining the
late House, well calculated for a Gre-
nery, and formerly kept so much by E.
Apps. Terms moderate. Apply to Tho-
mas Redden on the premises.
Oct. 25, 1834. 12-3t

The federal papers say the democrats boast, because, in the recent elections, "they have kept thickened," and they think it very absurd—how what more do we want? At the presidential election, Gen. Jackson and three-fourths of all the votes—would if the democrat, can "hold their own," what more can we ask for?—*Western Republican.*
